

Chromebook Repair Workshop

Dear BBMS Family,

If you are receiving this flier, your student is required to attend the Chromebook Repair Workshop because they have damaged their chromebook and need to replace the screen. Our tech department will be here to walk them through the process of repairing their Chromebook. They have been using a 'LOANER' Chromebook and this will be returned to us if it has not already. **The workshop will be held Tuesday, June 4th from 12:15 to 1:15pm in the library (early out this day, 12:05pm).** You will need to pick up your student after or they may walk home. *If your student does not attend the workshop, you will be required to pay for the repair of the chromebook screen, \$50.* Should you have any questions please reach out to our Library Clerk, Niki Dreifuss, contact info below. Thank you.
